

## B 40 W Bp

B 40 W Bp walk-behind scrubber drier. With roller brush system (including pre-sweep function for coarse particles), 55 cm working width, maintenance-free battery (24 V, 105 Ah), variable traction drive (forward and reverse) KIK key system for protection against incorrect operation. Extra feature: eco!efficiency mode extends battery life, tank rinsing system for automatic cleaning of the dirty water tank without splash-back, auto-fill function for convenient filling of the water tank as well as Dose cleaning agent dosing system for direct dosing from the cleaning agent container. Tip: configuration example. This machine is available with a range of different equipment and features, e.g. different batteries, cable version, without traction or with 45 cm working width.

### Features and benefits

- |                            |  |
|----------------------------|--|
| 3 batteries to choose from | <ul style="list-style-type: none"> <li>• The charging curve of the built-in charger is perfectly adjusted to the various battery types.</li> </ul>                       |
| Brush head with rollers    | <ul style="list-style-type: none"> <li>• High contact pressure for perfect cleaning results</li> <li>• Perfect for structured surfaces</li> </ul>                        |
| EASY Operation             | <ul style="list-style-type: none"> <li>• Simple to use.</li> <li>• The basic functions are controlled with the EASY switch.</li> </ul>                                   |
| eco!efficiency mode        | <ul style="list-style-type: none"> <li>• The eco!efficiency mode is extra quiet and optimal for noise-sensitive areas (e.g. hospitals or hotels).</li> </ul>             |
| Easy handling              | <ul style="list-style-type: none"> <li>• Simple handling thanks to clear control elements with colour-coding.</li> </ul>   |
| Traction drive             | <ul style="list-style-type: none"> <li>• The maximum speed can be preset.</li> </ul>   |
| Innovative KIK system      | <ul style="list-style-type: none"> <li>• Yellow key for operators, grey key for supervisors.</li> <li>• Reduced service costs thanks to less operating error.</li> </ul> |
| Pre-sweeping attachment    | <ul style="list-style-type: none"> <li>• With integrated sweep bin for coarse particles.</li> </ul>  |

### Specifications

## Technical data

Working width, vacuum (mm)	850
Fresh / waste water tank (l)	40 / 40
Max. area performance (m <sup>2</sup> /h)	2200
Practical area performance (m <sup>2</sup> /h)	1650
Brush rotation speed (rpm)	600 / 1200
Brush contact pressure (g/cm <sup>2</sup> )	140 / 190
Frequency (Hz)	50 / 60
Voltage (V)	100 / 240
Motor rating (W)	1300
Traction motor (W)	130
Weight (kg)	88
Weight with battery (kg)	164
Dimensions (L x W x H) (mm)	1249 x 620 x 1145
Battery (V/Ah)	24 / 105
Battery voltage (V)	24
Battery capacity (Ah)	105
Sound level (dB(A))	60
