

## KM 70/20 C

The KM 70/20 C is a high-value push sweeper with professional build-quality and a range of professional features. Sweeping 7 x faster than a conventional broom, the 70/20 dramatically reduces dust and guarantees consistent, thorough results. Featuring an adjustable side brush for cleaning right up to kerb edges. Ideal for cleaning paths, halls and warehouses quickly and efficiently. The 20 litre hopper is very easy to empty and both main and side brushes are fully adjustable to suit different surfaces. The machine folds flat for easy storage.

### Features and benefits

- |                         |  |
|-------------------------|--|
| Main roller brush drive | <ul style="list-style-type: none"><li>• The main roller brush is driven by both wheels – for excellent cleaning results even in tight corners.</li></ul> |
